Dear Pete,

The Street Dance this year was a huge success with over 6000 people dancin' the night away. *Thank you* for helping us make this a memorable event for everybody. With income from this event and others sponsored by the Association we are able to keep downtown alive with revitalization projects.

We couldn't have done it without the generous support from sponsors like you. We truly appreciate your skills and effort to make this event happen. It was a pleasure to work with you and we look forward to seeing you again for the Street Dance next year!

With appreciation for all you do for the Downtown Branson Main Street Association,

Gayla Roten
Executive Director

Our Purpose: To revitalize Downtown Branson, using the Four Point Main Street Approach: organization, promotion, design and economic development.
